

## Militia Change Of Command

After 25 years active and militia service in the armed forces, Major R. C. R. Munro, CD, of Vulcan, has retired as Officer Commanding "A" Company, The Calgary Highlanders (Vulcan). His retirement was effective January 1, 1965, and he has been succeeded as Officer Commanding at Vulcan by Capt. M. R. Burgess, who was formerly second-in-command of "A" Company, and who is shown at the right in the picture above.

Maj. Munro first joined the Cal-

gary Highlanders in 1940 and served overseas with the unit during World War Two as a platoon and company commander, being wounded twice during the fighting in Holland. He has commanded the Vulcan company of the Highlanders since 1946.

Capt. Burgess enlisted in the Highlanders in 1954, was commissioned in 1957 and appointed as captain and second-in-command in 1962.

## Public Meeting Jan. 20

## Chamber To Help Set Up South-Central Association

As a result of a motion passed at its January luncheon the Vulcan District Chamber of Commerce will sponsor a public meeting Wednesday, Jan. 20, to set up a South Central Development Board through which legal counsel will be obtained to further investigate recent Hutterite acquisitions in the Brant district. The meeting will be held in the banquet room of the New Club Cafe at 2:30 p.m.

This action follows widespread concern, both within and outside of the county, over what the future holds for further Hutterite development and expansion should the Brant purchase of over 6,000 acres of land be considered permanent and upheld by the provincial government.

It is hoped that a good representative group from surrounding areas will be on hand to help set up the body and provide guidance to the agenda which will be outlined.

Steve Dixon, who was one of the delegation to attend the conference at Red Deer in November at which the Hutterite problem was the subject, gave chamber members a review of the day's development and felt himself, and from observations of others, that the conference more than achieved its purpose. Although there was no official provincial government representation on hand, it is understood one MLA was present and an MP came from Ottawa to attend.

Mr. Dixon felt attention at the present time was now focused by all interested parties on the Brant development and that this appeared to be the basis for a test case to determine whether or not the law had been contravened.

According to an announcement some time ago by the Attorney General's department, the Brant land purchase was to be investi-

## S. Hemingway Dies At Calgary

A well known former resident of the Nanton-Vulcan district, Stanley Hemingway, aged 78, died at Calgary on January 5, 1965.

Born at Teeswater, Ont., he farmed west of Vulcan from 1917 until 1947, when he retired to Calgary. He was a life member of Calgary Elks Lodge No. 4.

Besides his wife, Lillian, he is survived by a daughter, Mrs. W. G. (Irene) Fisher, Vancouver; a son, Harold, of Calgary; two grandsons, Charles Fisher of Vancouver and Harley Hemingway of Calgary.

Services were conducted by Rev. Ralph MacDonald at Gooder's Hillside Chapel on Friday, Jan. 8, and interment was in Mountain View Memorial Gardens.

## Services Held Jan. 9th, For Jack Smith

A district resident for 40 years, John Stuart (Jack) Smith died at Calgary on January 6, 1965. He was 81 years of age.

Born in Dufftown, Banffshire, Scotland, he came to Canada in 1904 and homesteaded at Claresholm, moving to Okotoks in 1915 and to the Vulcan district in 1917. He retired to High River in 1957 and moved to Calgary in 1963.

Mr. Smith was one of the original members of the Alberta Wheat Pool and a former member of Vulcan Branch, Royal Canadian Legion.

Besides his wife, Edith, he is survived by two daughters, Mrs. Allan (Jeanette) Sinclair, Vulcan, and Mrs. O. F. (Phyllis) Heisler, Calgary; five sons, David and Ian, Calgary, Ross of Sylvan Lake, Allan of Standoff and Benjamin of Vulcan; and 22 grandchildren.

Services, conducted by Rev. Wellington Dornier, were held at the Vulcan United Church on Saturday, Jan. 9. Active pall bearers were Alvin Jacobson, Bill Sharpe, Lloyd Richardson, Andrew Nafziger, Leon Bateman and Reginald Stein. Honorary pall bearers were William Hill, Walter McDermott, Mart Jose, Jim Stein, M. K. Sinclair and William McMullen.

The Vulcan Funeral Home was in charge of arrangements.

## Ministers Plan Day Of Prayer

The Vulcan Ministerial Association met in the Anglican Church on Wednesday, Jan. 6 at 10:00 a.m. Reports were heard about the Christmas aid program and it was decided that a letter of thanks would be sent to all who had made this project possible by their contributions.

Plans were also finalized for a joint day of prayer sponsored by the Canadian Council of Churches, which will be held at the United Church on Tuesday, February 2, at 8:00 p.m. The preacher will be the Rev. Laurie Hale, the singing will be led by the Rev. M. Heebner and the other ministers in the community will all take part in the service. All church choirs in the community will be asked to participate.

## Lt.-Gov. To Preside

## 60 Queen Scouts To Receive Awards

About 60 Queen's Scouts from Southern Alberta points will be presented with their certificates by the Honorable J. Percy Page, Lieutenant-Governor of Alberta, at a ceremony to be held in the CCHS auditorium, Vulcan, on Saturday, Jan. 16, starting at 7:30 p.m.

Preceding the 7:30 p.m. ceremony, which is open to the public, a banquet for the Queen's Scouts, Scoutmasters, parents and friends will be held in the school cafeteria. Admission to the banquet is by invitation only. The Lieutenant-Governor will be the main speaker at the banquet.

Queen's Scouts who will receive their certificates at the Vulcan ceremony are from Foremost, Coleman, Pincher Creek, Waterton, Champion, Lomond, Carmangay, Vulcan, Picture Butte, Iron Springs and Coaldale.

A similar ceremony is being held at Milk River on January 15, when Queen's Scouts from other Southern Alberta points will receive their certificates.

From the Lake McGregor District, Queen's Scouts who will receive their certificates at the Vulcan ceremony on January 16 include: Michael S. Holm, Bernard M. Hummel and David E. Puzey, all of Champion; James W. Foreman, Stanley C. Stokes, John C. Clifford, Ronald W. Linstedt, Frank D. Ruppert, Patrick R. Honess and Kenneth W. Wong, all of Lomond; Calvin Teskey, David Baldwin and Bernard Street, all of Carmangay; Cecil Nickerson, Lawrence H. Mumby, Lloyd O. Sokvitne, J. Brian Scobie, Douglas E. Roe and Alexander C. J. Price, all of Vulcan.

Although admission to the 7:30 p.m. ceremony is open to the general public and tickets are not necessarily required, admission tickets are available to those wishing them by contacting J. V. Christensen, Vulcan.

## QUEEN'S SCOUT BADGE

### Achievement of "Queen's Scout"

Badge is an indication that the Scout has made special efforts to prepare himself for duty to the community and his fellow man. It requires proficiency in First Aid, knowledge of his community and country, and a number of skills that will enable him to contribute effectively to public service. The

Scout commits himself to this worthy endeavour publicly by accepting the award and showing in his daily life that he is willing to carry out its purpose.

Originally the award was established by King Edward VII when in consultation with the founder, Lord Baden-Powell he realized the

potential of the training being given youth through the Boy Scout Movement.

The Scouts will receive a parchment, signed by the Queen's representative reading as follows: "As a Queen's Scout you have prepared yourself for service to God and fellow men and have shown

yourself a worthy member of the Great Scout brotherhood. May you continue, under God's guidance, to gain courage and strength to enable you to fully discharge your duty to your country."

Signed:  
Gov. Gen. Vanier,  
Chief Scout for Canada

Most of Vulcan's Volunteer Fire Brigade, pictured above, were on hand for the annual pay night and stag held at the Vulcan Cafe Friday, Dec. 19. Making up the 24 member crew are a number of one and two-year men along with several veteran firemen, all under the command of Bob Johnston who

has held the post of fire chief for six years and has been in the brigade 11 years. Back row, from left are: Andy Broere, George Richardson, Pete Schuler, Wayne Jones, Bob Petrosky, Van Meesterin, Lundy Findlay, Guy Belley, Cal Lebsack and Fire Chief Johnston. Front row: Bill Perrault, Tom Wylie, Cal

Rutberg, Ed Rutschke, Bill Warren, Dave Schuler, Rudy Lever, Walter Stewart, Allan McAske. Missing from the photo are Roy McLennan, Don Mitchell, Dave Mitchell, Harvey Simmons and Hubert Broere.

## CCHS Curlers In S. Alberta District Finals

A rink from the County Central High School composed of Larry Stettner, David Clark, David Hubka and Miles Letal advanced to the South Alberta Taylor, Pearson and Carson playoffs in Drumheller by winning a three-rink district playoff in Vulcan on Saturday, Jan. 9. Other participating teams were Lomond and Blackie.

Vulcan won A Section and Blackie topped B Section. Blackie won the first game of the final but in the second game Vulcan forged ahead in the latter stages of the game to end up as district champs.

## First In 1965

The first baby born in 1965 at the Little Bow Municipal Hospital, Carmangay, will be welcomed with gifts of cash and merchandise from the merchants of Champion, Barons and Carmangay and also from Mrs. R. Hwozdecki and the Hospital Auxiliary.

This project is sponsored by the Hospital Auxiliary, which has a very active membership from the three villages.

## Wolfe Rink Winner

## Vulcan Rink Takes Major Honors At Foothills 'Spiel

The John Wolfe foursome of Verna Haga, Barry Deal and John Graham led the Vulcan invasion of four rinks at the Foothills bonspiel at Nanton last week by sweeping two events, No. 1 and No. 4, and the grand aggregate.

The Howard Spaeth rink of Ivan Haga, Orvel Webb and Omar Haga won Event No. 3 by defeating another Vulcan entry of Mel Jordan, Blaine Middleton, Lloyd Graham and Ted Hartung in the final.

The fourth Vulcan entry of Dan Watson, Bud Haverly, Neal Dumka and B. Drummond lost out in the finals of Event No. 2.

This popular bonspiel will be held in Vulcan next January.

Other curling activities the past couple of weeks had a Vulcan foursome winning a 16-rink jackpot at Carmangay when the rink of Dan Watson, Ray Wellman, Doug Fletcher and Neal Dumka won the finals over the County Central High School entry in the TPC Playdowns.

The Vulcan Men's Open Bonspiel was cancelled this week until a further date, due to the extreme cold weather.

The Ladies' Invitational 'Spiel will be held Jan. 23-24.

## Fire Completely Destroys Lutheran Church At Milo

(By Milo Correspondent)  
The Milo Lutheran Church was completely destroyed by fire Saturday morning, Jan. 9.

The fire was set off by an explosion which blew out the south wall of the church and within minutes the interior of the building was a mass of flames. The Milo district fire department battled the blaze for about three hours in the sub-zero weather but had little chance of saving the building. Vulcan's rural fire truck started out to lend assistance but was sent back when it was about half way to Milo as it was felt that the building was beyond saving.

Plans have not been announced but it is likely that the church will be rebuilt.

At the beginning of this century life expectancy of a Canadian at birth was about 40 years, now it is over 70 years.

## Climb From Sub-Zero . . . To 29 Above

## Mild Chinook Brings Temporary Relief; Feed Shortage Acute On Some Farms

Although milder temperatures since Sunday have brought relief to the weather picture the past month of constant deep sub-zero conditions which followed the blizzard of December 14-15 have taxed many facets of life almost to the limit.

Home heating systems, winter clothing and cars have been under constant strain, not to mention human nerves and patience.

Of more crucial importance at this stage of the winter is the livestock on farms and ranches in this area which has taken a severe buffeting due to exposure to wind and the steady cold.

District Agriculturist Clarence Roth has investigated throughout the county and reports this area generally fared better than points such as Hanna where individual and collective losses reach into the hundreds of head of stock.

Biggest actual losses appear to be coming from the east country.

Lomond has reports of one or two or up to eight head lost by farmers.

Though subjected to some winter before the blizzard in December, stock was doing well but the intensity of the two day storm left immediate losses, frozen parts of animals and a weakened condition which was aggravated by the long month of low temperatures.

Mr. Roth said many farmers have provided for such an eventuality as recent weather conditions and have tree shelter belts, high board fences and protective buildings for their stock, as well as a good reserve supply of feed. At present those most seriously affected have gambled on an open winter and are now faced with feed shortages. Supplies on hand on farms range from a full two year's quantity to enough for the next two weeks. In many cases chaff and straw piles which were

depended on until well into January, when good hay would be fed, are gone and feed scheduled for use towards calving time is being used now.

What is the future outlook in the feed situation? If the weather remains moderate and some grass is cleared for grazing the general picture is reasonably bright but another month such as that just past would have serious effects. Hay which sold last fall from \$15 to \$20 per ton is now running from \$30 to \$40 per ton if a seller can be found. One farmer who contracted a supply from a point near Lethbridge hauled a load for \$28 a ton and was phoned on arrival home and told if he wanted more the price was now \$30, up two dollars.

Biggest nearby source of volume supplies is the irrigation district (Continued On Page 6)

Travellers may or may not be impressed with the business and residential blocks beyond but at least they now know they are at Vulcan and 11 organizations and the town have got together to tell them so by way of the huge sign shown above.

Finally erected in December of last year the sign is the project of the Vulcan District Chamber of Commerce, by way of its highway committee chairman Bill Richardson, the sponsorship of many and the toil of the town crew.

Eleven organizations whose planks appear in the photo, paid \$425 towards the cost of the sign and with the town contributing \$200 plus labor etc. the full cost has been met. Contract for the job went to Speedy-Signs of Black Diamond.

Mr. and Mrs. Ivor Oberholtzer left by plane on Friday for Mexico City and other southern points in Mexico. They plan to be gone three weeks.

There will be a bridal shower for Miss Myrna Fraser in the community hall on Sunday, Jan. 17 at 2:00 p.m.

The committee to judge the decorated homes at Christmas had trouble finding a night when the roads were open this year but they did make it. In town it was F. C. House, first; Beauford Culp, second, and in the country R. R. House, first; Janus Norton, second.

**POT LUCK SUPPER**

The FWUA and FUA held a Pot Luck Dinner at the community hall on Wednesday, Jan. 6.

Reports of the Annual Convention were given by Mr. and Mrs. Milt Ward and Mrs. George Ward. Mrs. F. H. House had also attended the convention but was unable to get to the meeting. There is a lot of interest in the new organization and it was decided it would be of interest to have a speaker on this topic at a future meeting. Norman Jacobson gave a very interesting report on the Hutterite Meeting at Red Deer. A Bake Sale was also held at this meeting with the money going to the sunshine fund. The FUA plan to have a meeting on Jan. 20.

The next FWUA meeting will be held February 3.

### VETERINARY COLLEGE

The Saskatchewan minister of agriculture says the cost of a veterinary college on the campus of the University of Saskatoon now will cost between \$5 million and \$6 million rather than the estimated \$2½ million to \$3 million estimated. Instead of graduating from 30 to 35 veterinarians it is now planned to graduate 60.

for healthy harvest  
profits!  
(and save money doing it)

There's no question about it, ENGRO fertilizers are the profit-building way to better crops. Proven ENGRO results in actual tests: wheat profits raised by \$1,500 per half-section; hay crop yield boosted by 1½ tons per acre—all after paying for the fertilizer!

Order now and save money. If you take delivery in January or February you receive a \$1.50 per ton discount. If you make payment before March 31, you receive an additional 2% discount on the delivered price.

Here are three  
important reasons why  
it will pay you to  
renovate and redecorate  
your home now!

**1 SKILLED MEN ARE AVAILABLE—NOW!**  
Although more and more building is being done each winter, exterior construction does slow down during the cold weather. As a result, home improvement contractors and skilled craftsmen seek out the smaller interior jobs that they are unable to handle during the summer. You benefit—with skilled workmanship by experienced tradesmen when it's most convenient to you!

**2 DISCOUNTS AND LOANS ARE AVAILABLE—NOW!**  
To create incentives that will balance their sales and keep their staff employed throughout the year, building supply dealers run winter sales. These special discounts help you renovate and redecorate at the lowest possible cost. You'll find your bank a good place to visit, too—for low-interest Home Improvement Loans under the National Housing Act: up to \$4,000.00, with up to ten years to repay!

**3 MATERIALS ARE AVAILABLE—NOW!**  
When building slows down, materials become more readily available. Result: irritating delays in completing your job because of late delivery of supplies are eliminated!  
*There's no doubt about it. Winter is the very best time to spruce up your home (and your place of business)—quickly, efficiently, inexpensively!*

For advice and assistance call your National Employment Office

Everyone benefits when winter work is increased. **DO IT NOW!**

#### U.C.W. MEETING

The regular meeting of the U.C.W. was held at the home of Mrs. Bob Clemons with 10 members and one visitor present. Roll call was answered by paying the 50 cent membership fee. Julia Hagedorn is the membership convener.

All the members names were put in a hat and then drawn, one for each month. These persons are responsible for the devotional and program. Anyone having any of the following articles to donate can contact these members: Mrs. Bill Campbell, clothing for the allocation; Mrs. Howard Tharlie, jewelry, old hats, shoes, etc., for the mental hospital at Ponoka; Mrs. Hugh Leslie, plastic bags and plastic medicine bottles; Mrs. Bob Clemons, old nylons; Mrs. Howard Row, used stamps and cards. Mrs. Joe Leslie is looking after the sale of cards. It was decided to send a donation to the Wood's Christian home.

Mrs. Howard Tharlie led the devotional and read the Christmas Prayer. Roll call next month is to be articles for Ponoka. Mrs. Wilfred Hagedorn read an article on the new Moderator for the United Church, E. M. House. The next meeting is to be held at the home of Mrs. Wilfred Hagedorn.

Lunch was served by Mrs. Bob Clemons and Mrs. Howard Row.

The annual congregation meeting will be held in the church, Thursday, Jan. 14 at 8 p.m.

### ARMADA

Mr. and Mrs. Don Clifford, Allie Howerton and Bob Stewart motored to Edmonton on Tuesday. Don and Bob went on to Lac La Biche. Mrs. Clifford and her father visited in Edmonton with Mr. Howerton's brother and sister-in-law, Mr. and Mrs. M. J. Howerton and returned home early Wednesday morning.

Mr. and Mrs. C. G. Miller have returned home after spending the Christmas and New Year's holidays in Edmonton with their daughters, Mrs. D. Stewart, Mrs. S. Joseph and their families and Miss Margaret Miller.

Mr. and Mrs. Fred Morris and Mrs. Bill Morris were Calgary visitors on Friday of last week.

Mr. and Mrs. Keith Groves entertained at a card party on Saturday evening, Jan. 9. Twelve couples of the young married set enjoyed the social evening, and the delicious Chinese food.

Mr. and Mrs. Harry E. Smith were business visitors on Friday in Lethbridge.

A number of people in the district are feeding birds that linger around the buildings. These people are doing the birds a great kindness, and even the scraps from the table three times a day will keep many of our feathered friends from starving this winter.

Mrs. Alfred Vaage is a patient in St. Michael's Hospital in Lethbridge.

Ray Warren will be taking up residence in the home of the late Alva Baker.

Mr. and Mrs. T. P. Carlson attended the funeral of Mrs. John Cain in Calgary last week.

Mr. and Mrs. R. C. "Bud" Bach and family returned from a visit with Mrs. Bach's parents in Ireland.

Those people who like to pass these long winter days with a good book may be glad to know of a new selection of books on the shelves of the Public Library. These are some of the titles and their authors: You Only Live Twice, a James Bond Novel by Ian Fleming; Naked Came I, a novel of Rodin by David Weiss; The Fiend, a suspense novel by Margaret Millar; The Common-Place Day, by Robert Tibber. There is a good selection of new books for young people. Just recently a complete new set of Dr. Szuess has been put on the shelves.

**MRS. JOHN CAIN**  
Word was received last week of the death of Mrs. Isabel Jane Cain, who passed away in a Calgary hospital, Jan. 5, 1965, at the age of 93 years.

Mrs. Cain was born in Dufferin County, Ont., where she grew up and taught school until she came to Calgary at the turn of the century. She taught in the Calgary Normal Practise School and was later principal of the Sunnyside School.

In 1917 she married John Cain who homesteaded in the Blusson

**LIVESTOCK SHELTERS**

Prairie livestock owners would be well advised to provide shelters for their animals, says E. A. Hess, Canada Department of Agriculture researcher at Lethbridge.

He explains that shelters save on feed and reduce stresses on animals from sudden changes in temperature, humidity, atmospheric pressure and wind velocity.

At the Lethbridge Research Station, animals moved from a warm to even a moderately cold room began to shiver and breathe faster, their heart beat became faster and they consumed more feed and water.

These adjustments require the energy from a large amount of feed which, at warmer temperatures, would be used for growth, fattening or reproduction.

Continued exposure to very low or rapidly changing temperatures also lowers animals' resistance to disease.

**KNOWING CHRIST**

Knowing Christ, or rather, knowing that you are known and loved by Him is rather like the Human Experience of falling in love.

There is love at first sight—a dramatic personal encounter between two persons who discover that they were meant for each other, discover it with some emotion, at a definite time in a definite place. This is like those who are converted at Mass Evangelistic Rallies. Such people are met by the living Christ and have to say "Yes" or "No" to Him.

Then in the love experience there are others who have many attempts on several occasions, they fancy it is true love, then discover it was a passing fancy or a temporary infatuation. After some time of despair and disillusionment they try again, until finally true love enters their lives. This is like those who have a long intellectual and moral struggle. Such a man often thinks he has become a real Christian, that he can really believe the Christian Faith. Then he finds that he has not yet arrived. Finally, after years of striving he finds Christ and is found by Him.

Finally, there is the third group who are life long friends—the boy and girl next door who are friends for years and finally discover themselves to be lovers. These are the people who are fortunate enough to be brought up in a true Christian home — are perhaps baptized in infancy, later received into full Church membership — live after the pattern of Christian ethics and slip almost imperceptibly into the new life with little or no emotional struggle.

It doesn't matter what way I came to know that I am loved by Christ. But it does matter that I know it. It is conscious 'I know I am His'. It is life changing. 'I desire to be led by His spirit, day by day.'

had lived in Iowa, and Champion, and Lomond in Alberta. Mrs. Watkins was a member of the United Church Women for more than 40 years and was a member of the Rebekahs and was a life member of the Royal Purple, Champion.

She is survived by three nieces, Mrs. Ethel Gruenwald and Mrs. Leona McIlvenna, both of Lethbridge and Mrs. Anna Lyons, Barons.

Funeral services were held in the Martin Bros. Funeral Home, Monday, January 11, with Rev. Douglas Weatherburn officiating. Interment was in Mountain View Cemetery.

**FELICITY CLUB**

The first Felicity Club meeting of the year was held at the home of Mrs. Earl Smith with Mrs. Dick Davies as hostess. Fourteen members and one guest braved the cold weather to enjoy the afternoon. A vote of thanks was given to the outgoing executive by the new president, Mrs. Geo. Ellis. The newly elected vice-president and secretary are Mrs. Earl Smith and Mrs. Bob Long respectively.

The highlight of the afternoon was revealing the 1964 Good Neighbors names. New good neighbor names were drawn for. Mrs. Dick Davies was presented a gift for having 100% attendance.

The next meeting will be held at the home of Mrs. Bob Long.

## New Legislation Unfair

A recent provincial government decision to allow liquor advertising in outside publications reprinted in Alberta only serves, in our opinion, to emphasize the unfairness of the legislation which still prohibits all liquor advertising in publications originally printed in Alberta.

The new legislation was framed to allow the Financial Post to reprint its edition in Calgary.

Canadian and American magazines, practically all carrying "brand name" liquor advertising, enjoy a wide circulation in Alberta, as in other provinces. Present legislation, which can only be termed discriminatory, prohibits any Alberta publication from carrying any type of brand name or institutional advertising for distilleries or breweries, including public service ads on informative subjects such as artificial respiration.

For years now Alberta publishers have annually presented briefs to the Alberta cabinet, stating that the question of whether or not to carry liquor advertising in their newspapers should be the decision of each publisher, not of the government.

"The freedom of the Albertan job printing plant to reprint the Financial Post was being affected," said Liquor Board Chairman Peter Elliott, in giving reasons for the new regulations to allow liquor advertising in newspapers and magazines reprinted in Alberta. But what of the freedom of Alberta publishers to decide themselves what advertising should or should not go in their papers? Not all publishers would accept liquor advertising, but this should be their own decision, not that of the provincial cabinet.

## Mild Chinook Brings Temporary Relief

(Continued From Front Page) The same extent but in the case of both species, their survival will depend on future weather and availability of feed. In this connection Vulcan and District Fish and Game president Glen Dahl advises that this body has authority to compensate farmers for feeding the birds. Arrangements can also be made at local elevators for such feed.

Survival problems have also apparently brought big game into the area. At the Stan Wickstrom farm 16 miles north-east of town, Tuesday about 50 antelope were seen heading in a south-west direction. This is the first time these animals have been seen in such numbers in this locality.

One local trucker, Earl Galloway has a list of back orders which call for hundreds of tons but the question is where to find the hay to meet the demand. One farmer has asked for 150 to 200 tons but his hopes of securing this amount are slim.

An animal under normal conditions being fed two per cent of its normal weight daily should maintain itself and produce average gain but under recent conditions this feed was absorbed in producing heat to withstand the elements.

According to Mr. Roth, frozen parts of animals are now showing up in greater numbers and biggest immediate danger is in the arrival of typical January weather in which bitter cold and blizzards are expected. In the event of a sudden blizzard many cattle would go down in the snow and be unable to get up again.

Early calving, which has been the case on a few farms is another problem as are some heavily drifted fence lines which allow cattle to walk over drifted fences and into stacks of hay and feed.

Snow plows and maintainers of the county have been working steadily clearing roads and have now been able to work snow well back from the edge of roads. Following the December blizzard operators reported sighting many pheasants in snow-filled ditches and along fence lines. Partridge are not believed to have suffered to

## Harold Hansen Receives Further Award

The blizzard of December 14 and 15 kept Harold Hansen of Ensign away from an invitation in Calgary which he would have been pleased to accept.

In recognition of his winning the world flax title at the Royal Agricultural Fair at Toronto during November, the Calgary Chamber of Commerce had planned to honor Mr. Hansen and other regional winners at a noon luncheon in the Palliser Hotel, Dec. 16, but the weather forced him to remain at home.

A scroll which was to have been given him at this time has since been forwarded to Mr. Hansen. It reads: "To Harold Hansen, Ensign, Alberta—In recognition of your achievement in winning the World Flax Championship at the 1964 Royal Agricultural Winter Fair, The Calgary Chamber of Commerce offers their congratulations and presents this scroll as a memento of the occasion on which you were honored at a general meeting of the Agriculture Bureau of The Calgary Chamber of Commerce on December 16th, 1964. We extend our best wishes for continued success in your outstanding contribution to Agriculture in Canada."

The Hansens' week at Toronto at the home of Mrs. Mona White.

was featured by several side events in addition to the main awards program. Staying at the King Edward Hotel following a comfortable trip by CPR, Harold and his wife attended the O'Keefe Centre one evening where they saw the stage production Madam Butterfly. Other side trips included a trip to Niagara Falls with the Chester Reas, Howard Burrells and Middletons and others from Vulcan and surrounding towns.

## W.I. Dec. Meeting

Fifteen ladies met at the home of Mrs. Lena Brown for the December meeting of the Good Deeds W.I. Roll call was answered with suggestions for next year's programs and roll calls.

Each lady brought a gift for a child to be sent to Booth Memorial Home. Following the business meeting, gifts were exchanged.

Lunch was served by the hostess, assisted by Mrs. Nellie Hutton, Mrs. Grace Smith and Mrs. Bruce White. Bags of candy were distributed to the children of the members.

The next meeting is to be held at the home of Mrs. Mona White.

## Record Wheat Exports Reported In Year 1963

The Canadian crop of wheat in 1963 totalled 723 million bushels. The carryover from the 1962 crop was 486 million bushels so that total wheat supplies had reached a record 1,209,000,000 bushels.

The fortunes of the market relieved a situation that might well have resulted in the country's elevators and the farmers' bins being clogged with wheat.

Overseas exports totalled 590 million bushels, an all-time record, and domestic requirements took 150 million bushels. That added up to a total disappearance of 750 million bushels of wheat so the carry-

over on July 31 last, was possibly around 462 million bushels, down from 24 million from the figures of the previous year, notwithstanding the huge 1963 crop. Russia's wheat takings of 196 wheat.

## DISTRICT NEWS

FROM OUR CORRESPONDENTS

### ENSIGN

Mr. and Mrs. Clarence Mote returned home on Wednesday of last week after spending the long holiday season at Orting Wash., at the home of their daughter, son-in-law and family.

Mr. and Mrs. Bill Brown were both patients in the local hospital last week.

Roger Massam and Lynn Edgerton were patients in the hospital for a few days this week. A speedy recovery is wished them.

Visitors at the Archie Ferguson home for the Christmas holiday season were Frances Ferguson of Hanna and Mr. and Mrs. William Ferguson and Jimmie of Whitecourt. New Year's guests at the Archie Ferguson home were Mr. and Mrs. Edgar Ferguson of Spirit River.

Christmas Eve dinner guests at the Henry Hansen home were Mr. and Mrs. Elmer Hansen of Calgary, Mr. and Mrs. Richard Lebsack of Vulcan and Mr. and Mrs. Harold Hansen, Donald and Darlene.

Mrs. Henry Hansen's brother, George MacIndoe of Vauxhall was a guest for part of the holiday at the Henry Hansen home, followed by Frank Hoskyn of Calgary who was a guest for two days.

By advertising a product, a manufacturer sells more and by selling more he can cut unit cost in production, thereby making the product cost less.

Major R. C. R. Munro, CD, who retired Jan. 1, as Officer Commanding, "A" Company, The Calgary Highlanders, is shown above being presented with an engraved silver tray from the officers and men of "A" Company. Making the

presentation, at the annual Christmas dance of the Highlanders, is Sgt. George Christofferson, president of the Sergeants Mess, and officiating as master of ceremonies is Capt. M. R. Burgess, second-in-command of the Vulcan unit.

## COUNTY CENTRAL HIGH SCHOOL HI-LITES

There will be many events of interest taking place at County Central High in the next few weeks. Since the building is now practically completed, the entire school system is running quite smoothly and all classes are going in high gear.

The official opening, unfortunately postponed due to adverse weather, will be one feature to look forward to in the near future. On January 16, the Queen Scout Ceremonies will be held in the school and the investiture of Queen Scouts from Southern Alberta will be of much interest since the Lieutenant-Governor of the province will be in attendance.

On January 16, the Queen Scout parent interviews at which we hope to see 100% of the parents. Each parent will be notified in a few days about the time set for each interview. This is your chance to visit the teachers and find out exactly how your young people are coming along in the various courses.

On the evening of January 28, we have planned our first Drama presentation. We are offering for your pleasure four one act plays presented by the drama students of grades eight, ten, eleven and twelve. It is hoped that the Glee Club will be able to sing for you also at this time. Mark your calendars and make it a date.

A large number of rinks represented CCHS at the high school bonspiel held in Lethbridge during the Christmas holidays. Returning with prizes were the rinks of Ina Haverty, Gary Lundgren, Garry Sokvitne, Gene Carruthers and this year's Brier team, consisting of David Hubka, David Clark, Larry Stettner and Miles Letal.

The Brier district playdowns were held in Vulcan on January 9, with rinks from Blackie, Milo and CCHS competing. The CCHS rink skipped by Larry Stettner, defeated Ray Seney of Blackie 11-3 in the final game. They now advance to the Southern Alberta finals being held in Drumheller from Jan. 21 to 23.

On Friday, Jan. 8, the Royals beat Milo 74-38 in a senior basketball game played in Vulcan. High scorers for CCHS were Drew Price, 19 points, Bob Green, 16 points and David Puzey, 14 points. Leonard Peterson had 15 points and Dave Smith and Les Winch made 8 points each for Milo.

The Junior High is having a dance Friday, Jan. 15, and the Senior High is holding a Sock Hop on Jan. 29.

The Valentine's Ball and County Central High Queen Contest finals will be held on February 26. Running for queen are Ina Haverty, Susie Robertson and Mary Stein. Tickets are now being sold by the students and a prize of a transistor tape recorder will be drawn for. It is hoped that this venture will meet with general support.

VICTOR 101 SUPER

## the 1965 Victor

It's gracefully wider and elegantly longer. That's how the 1965 Victor 101 gets its brilliant new styling. And lots more is new besides. A new roominess that comes from the new curved glass side windows... an extra 4 inches of shoulder room that takes the squeeze out of three-abreast seating. There's new luggage space in the bigger trunk. New year 'round driving comfort in Victor's new heating and ventilation system. New efficiency in self-adjusting brakes. New durability in extra rustproofing and weathersealing. New extra power too. On the other hand, some things haven't changed. Like Victor's pocket-saving gas economy and delightfully easy handling. They're permanent Vauxhall features. But only first-hand experience could ever tell you all the new Victor 101 has to offer. So don't delay! See and test drive the 1965 Victor 101.

### THRIFTY WINTER EATING

From our Dairy Food Service Bureau has come these thrifty and nutritious ideas for what looks as if will be a long cold January.

#### Breakfast Brief—

Starting the family off on the right foot these cold mornings is a simple matter, thanks to the hot, quick-cooking cereals that have been developed in the last few years. Whatever your family's favorite brand, make it extra nutritious by adding skim milk powder when you're measuring the ingredients.

Simply combine equal amounts of skim milk powder and quick-cooking cereal, following the package directions for the proportions of cereal, salt and water. Bring the water to a boil in a saucepan, then gradually stir in the dry ingredients and proceed according to the package directions. If the cereal is slightly thicker than usual, stir in just a little boiling water before serving — but with most brands this isn't necessary. Serve as usual, with additional milk or cream. And don't forget to dress it up with fresh fruit or preserves, now and then.

#### Milk Powder Magic With Meat Loaf—

Are you sure that the family is getting their daily quota of milk? Don't forget you can get the benefit of extra milk in many of your favorite everyday dishes by adding skim milk powder. If you don't re-liquify it, skim milk powder ups the important nutrients such as calcium and protein in the dish without altering the liquid.

For example, next time you're making meat loaf add 1/4 cup skim milk powder for each pound of meat in your recipe. And, if you would like to add a little something extra in the way of seasoning, try 1/4 teaspoon each of rosemary, basil and oregano for each pound of meat. Then serve the

loaf with a tomato sauce.

Something else that perks up a meat loaf is a little chopped dill pickle and some crumbled crisp bacon.

#### French Toast, by Any Name, A Treat—

Start the family off with a smile tomorrow morning by treating them to golden slices of French Toast. Known at one time or another as German Toast, Spanish toast or Nun's toast, this old favorite has many versions. Our favorite recipe is made with evaporated milk... that handy pantry shelf dairy food.

For six pieces of bread, beat one egg and add one cup evaporated milk — don't dilute it — along with one tablespoon sugar. Season with cinnamon, nutmeg and salt. Now then, dip the bread slices in this mixture and brown on both sides in plenty of melted butter. Delicious, served with maple syrup or homemade jelly!

Sometime try adding 2 tablespoons toasted sesame seeds or a little grated orange rind to the basic recipe to change the flavor slightly.

#### Cheese... Toasted Please!

Anytime is snack time with curling, skating and skiing at the height of the season right now. And for a sure fire snack favorite, it's hard to beat good Canadian Cheddar Cheese served with crisp apples.

Next time you're serving the famous duo, try these Toasted Cheese Slices, made in a matter of minutes.

Toast six slices of bread on one side. Spread the untoasted sides with a mixture of 2 cups shredded cheddar cheese (that's about 1/2 pound) combined with 1 slightly beaten egg, 1/2 teaspoon dry mustard and 1/2 teaspoon salt. Just pop these under the broiler until the cheese is bubbly and serve at once.

### LOUSY PARTY

"Did you have a nice time at the party?" the little boy was asked upon his return home.

"I've never had such a lousy time," he replied. "There was an old lady there who didn't do anything but try to restore order."
